## MEADOW STAR - PART 5

VIDEOS MADE BY TANIA LEIS

We will continue with this lovely pattern. Again I included the color choice charts, BUT you need to be careful. There will be a slight chance in working up the rows. We need to be careful that are colors line up nicely in the pattern. For the squares working with 2 colors there is a different way of starting.

| Color <br> letter | My choice | Annemiek 's <br> choice | Your color choice |
| :--- | :--- | :--- | :--- |
| A | Lilac | Light blue |  |
| B | Purple | Dark blue |  |
| C | Light green | Light green |  |
| D | Green | Dark green |  |
| E | Light salmon | Cream |  |
| F | Salmon | Light brown |  |
| G | Off white | White |  |

In this next chart you can see which colors are used for each number.
For the first square you look at the bind off row of the square below. The second square you start with the same color of the square next to it.
