BLOCK 16

YARN NEEDED : 40 METER

Attach your yarn on the right corner at the top of Block 14 and start the foundation row (Row1). Pick up 10 loops on top of block 14, make the connection to Block 15. You now have 12 loops on the hook. The connection loop is also the first RS.

Row 2 FP: 1BS, 10TSS, 1BS

RP 2: 12RS

Rows 3 thru 38

Repeat Row 2

Dark colored yarn isn't suitable for complicated patterns but simple can look beautiful.

Lighter yarn will look simple but it can be beautiful as well. I always try to incorporate the TSS into my patterns because it is that one stitch that cannot be made into knitting or normal crochet.

**BLOCK 17**

YARN NEEDED: 90 METER

Attach your yarn on the right corner at the top of Block 13 and start the foundation row (Row 1). Pick up 30 loops on top of Block 13, make the connection to Block 14. You now have 32 loops on the hook. The connection loop is also the first RS
