**Discover the Seasons week 4**

Thanks to Carla because she is making a tunisian fontset, so I can produce the digital schemes. This is a first attemp, so I cannot promise you that all the schemes will be digital.
This week there will be 5 blocks on the programm. It seems like a lot but it is much less stitches then last week ;-p there are no less then 3 small blocks in. With the 2 larger blocks I will show you how you can play with the stitches. This time you won´t learn new stitches.

Used stitches
TSS   Tunisian Simple Stitch
TKS   Tunisian Knit Stitch
TPS   Tunisian Purl stitch
TTKS   Tunisian Twisted Knit Stitch
               Crosstitch   see explanation week 2

Block 10   **10x10**   **Color B**

Block 10 will be crochet on block 9 and next to block 8. **Count 20 stitches from right of on block 9 and attach your thread into the 21st stitch.**

Technique
This block will be crochet completly in TKS.

If it is crochet to tight then take a crochethook larger! **BUT WATCH OUT!!! Make sure that the first stitch won´t be to broad because then you get big holes in your work.**
You even can crochet an additional row, as I´ve done here. Remember that otherwise you will not match with the block what is next to come to it.

Block 11   20x20   Color B

Designer: Mouse

The middle section of this block you might also use the rib stitch very well with a cardigan or a sweater.

Block 11 will be crochet on block 4 and 6, next to block 5 and 9. On block 9 you are counting 10 rows and place there a stitchmarker. **Count 20 stitches of the right upper corner of block 6 and attach your thread to the 21st stitch and crochet in this also your first stitch.**
