# Discover the Seasons – Week 08

This week block 25 thru 29. Another Discover-Block is included. This time it is designed by Carla. It is a heart. The symbol of love. Love for all the nice things in the nature, every seasons has its own thing for me. The fresh colors in the spring. In the summer it is the beach and the dunes for me. The beautiful colors of the leaves in the autumn. In the winter I dream of a nice snow landscape with a beautiful blue sky above it.

Explanation Smalll Cable
In the returnpass you crochet **chain, 3 stitches together, chain**. On the **chains** we make the cross-stitch. You **DO NOT** crochet the cluster. In returnpass you mak a chain in between the crossed stitches. In the next row you make a TKS on the chain.

Returnpass
The returnpass is included in the pattern

Block 26   20x20   Color A

This block is made on block 17. Count 10 stitches from the right topcorner of block 17. Attach your yarn in the 11th stitch.

ATTENTION! USE A LARGER HOOK!!!!!
My standard size is 6.0mm but I used a 6.5mm

Used Stitches
TTSS   Tunisian Twisted Simple Stitch

explanation TTSS
Ofcourse you start with a foundation row

insert your hook from **LEFT to RIGHT** underneath the next stitch, make a turn with your hook so you can pick up your yarn as normal. Yarn over and pull through. Do this for every stitch on the hook.

The complete block is done in this stitch. It looks lke the wafle-stitch of normal crochet it only is a bit smaller.
