# Discover the Seasons – week 10

This week we will finish the bottom of the blanket, you will make 3 blocks this week. When you have seen a pattern already then it is a accident. Yes, we found our inspiration on the internet, we are inspirired by normal crochet but also knitting. Block 38 is inspired upon normal crochet and block 39 is an example of how to join stitches into a pattern. Block 40 is a block in which Manon was playing with joining stitches.

Good luck with this weeks pattern
