# Discover the Seasons – Week 12

This week has 4 block on the program. I could not find a great pattern for block 49, but luckely Manon did find a way to let it work.

Block 46   **20x20**   **Color D**
Design: Inspired by the 'Woondeken van Serdani' of Ina van der Wal

Because this is a stitch that doesn't curl it is perfect for borders. That why I took the pattern of another Cal-blanket. I asked permission of the designer and she agreed that I use the pattern. You can find the Cal on FB, but for now(February 2017) it is only in dutch.

This block will be made on block 19 and next to block 29. Count 10 stitches from the right top corner of block 19 and attach in the 11th stitch.
